Footnotes | View Glossary Of Terms

WHISKYTANGODISCO dueled with an outside foe on the front end in the early going, shook clear on the fence by the half mile marker, rambled on uncontested through the turn, shifted to the two path well in control turning for home and kept finding in the lead when called for more down the stretch holding safely for the front-running tally. METRO KING was in the mix outside a couple runners up front in the beginning, travelled four deep at the five eighths pole keeping close tabs on the unchallenged frontrunner, regressed slightly outside foes at the half, started to re-engage coming back on with a run three wide at the midpoint of the turn, continued to keep on fighting in the three path between horses through the lane and got the head down right at the finish line with rivals on both sides winning the battle for second best. GRAN GHOST was well off the fence in the three to four path all alone at the back of the pack trying to find his stride, began to reach for more ground circling around horses four wide through the bend, swung out to the five path full of run outside foes inside the stretch drive, could not get to the winner who built up a good lead at the sixteenth pole but still stormed home and with one final push almost got the bob at the wire for second money while taking the show award by a whisker in the end. SANHEDRIN ran as a pair with an inside runner stalking the pacesetter down the backstretch, continued on the outside of that one making little headway on the leader around the turn, remained just off the

rail chasing the winner in vain with a furlong to go and faded very late inside rivals being on the wrong end of a tight three way picture for the secondary share. BACK STREET DRIVER tracked the loose frontrunner on the rail down the backside as well as throughout the bend, skimmed the fence still in the mix turning for home but could not find more in the late running and weakened inside challengers in the final eighth of a mile. FOUND MONEY was on the outside of another close to the back end by the half, could not get into gear through the turn going two wide being relegated to last by the five sixteenths marker, shifted to the four path in upper stretch and managed to pass a couple of leg weary inside foes in the final seventy yards. ZIP TO ZAP argued for the top spot outside through the chute, drop back steadily between horses along the backside, travelled two wide being passed by outside runners at the quarter pole and tired even further with a furlong remaining. BETTERMUSTCOME settled near the rear having the rail position, made little progression inside rivals in the turn running and could not factor on the fence by mid-stretch.
