Footnotes | [View Glossary Of Terms](#)

PICKFORD SWEET moved smartly in hand getting to the rail alone up top on the rail setting a moderate pace into the headwind going into the first turn, continued to roll along loose on the front end down the backside unchallenged, comfortably kept on with little pressure applied by rivals around the last bend and had more two wide in mid-stretch when called upon to hold safely at the wire for the front running tally. MRS. HOT SHOT was under a snug hold on the rail watching the top two runners, began to edge up on the fence at the quarter pole, shifted out gathering speed two wide in upper stretch posing the only threat but could not get to the winner who had plenty left in the final furlong. THATSITTHATSALL settled in midfield four wide outside runners early on, improved position three deep along the back straight, closed in mildly three wide through the far turn, angled to the four path in the mix outside the leader straightening out for home, was no match for the top duo by the furlong pole but did finish up strong enough to be a clear third at the wire. ENGLISH JUBILEE had the three path between horses in mid-division, dropped back at the half to be part of the rear trio with rivals on either side, made little impact outside another on the last turn and could only manage to pass weary foes outside while in the five path in the stretch drive. KEY STROKE travelled on the fence near the rear, continued on the rail sharing the rear inside two others down the backstretch with a half mile remaining, took the short way around the far turn making little progress, scraped paint turning for home but could not factor in the drive to the wire. NO VISOR broke outwards on the start and was quickly corrected, could see the field finding his stride around the first of two turns, co-trailed down the backside three deep at the half, offered a mild spurt three wide at the five sixteenths pole advancing slightly, angled to the four path at the top of the lane but had little to offer in the late running. TATOOSONMYSOUL was antsy in the stall when the gates opened up to be off slowly on the break, recovered to track the leader three wide outside another on the initial bend, contently sat behind the pacesetter along the wind aided backside, was scrubbed on midway around the second bend unable to

close the gap on the winner, shifted to the three path for the drive, had little left for the stretch run and folded between horses by the sixteenth pole.
