Footnotes | View Glossary Of Terms

SURFSIDE BEACH rated kindly on the outside in the second flight keeping a close eye on the engaged lead pair, took closer order moving to the rail heading into the turn, sat poised watching behind the embattled twosome around the bend, shifted out off the leader three wide in upper stretch and sharply burst between rivals when asked for run taking over control with a sixteenth from the wire and won going away with authority. LITTLE ALEXA was nestled on the rail stalking the front pair down the backstretch, dropped back slightly on the fence at the seven sixteenths marker, saved ground keeping pace with the lead three runners on the turn, moved in five wide in the thick of things at the top of the lane and found her best stride late coming with a good run in the final furlong but was second best unable to accelerate as much as the winner in the last sixteenth of a mile. MOSCATO BABE had a neck in front from the outside foe along the back straight, inched clear on the fence by midturn, spurted away even further having the two path entering the stretch, offered no resistance fading when the winner drove past outside at the sixteenth pole and finished up a clear third in the end. BEAU PINK prompted the early pace outside, chased to give chase two wide outside the pacesetter throughout the turn, moved to the four oath still in the mix in upper stretch between horses but flattened out in the final furlong just holding on with rivals on either side at the finish line to be a fringe player. AMI'S CRY settled close to the back on the outside in the early stages, travelled three wide making little impact around the oval, angled to the five path straightening out for home and finished up with some interest outside horses almost closing in late for a minor share. MOMANDA had the rail position near the rear, made little headway inside another just

off the fence in the turn running, remained in the two path taking the corner and could not get into contention running on only one paced inside rivals on the fence in the final furlong. OOKPIK was void of early foot seeing the field along the backside, remained at the rear being a long last under a ride offering little response throughout the turn, swung out widest to the six path for the drive but could not be a factor.
