

# TIMEFORM US

TimeformUS is a new horse racing product that is optimized for tablets and the web, and will modernize the way horseplayers view Past Performances.

TVG Customers can access TimeformUS Past Performances for select tracks through the TVG Handicapping Store. **Please use either Chrome, Firefox, or Safari as your browser on a PC or laptop, or use Safari on an iPad.**

This document contains sample Preview and Past Performance pages, along with explanations of our key features. For customer support or to ask detailed questions about any TimeformUS features, email us at: [Support@TimeformUS.com](mailto:Support@TimeformUS.com) or call 855-838-7400.

Trainer changes

Red Equipment or Medication indicates a "first," ex., First Time Lasix or a change, ex., Blinkers On

Fractions in red indicate a fast pace relative to the final time of the race. Blue fractions indicate a slow pace.

Races run outside North America display the Global Timeform Perspective Race Recaps (click to expand)

Extra-long layoffs indicated by blue or red dividing lines

Global Timeform Speed Figure, which is on the same scale as TimeformUS Speed Figures
