Footnotes | [View Glossary Of Terms](#)

GREYJOY was restless in the gate, raced off the pace under urging, went around the turn in the two path, was driven into upper stretch in the two path, gained to make a bid inside the furlong marker, took the lead at the sixteenth-pole, drifted out late and narrowly held under strong urging. TUTHILLTOWN broke a bit slow, settled on the outside, moved from the three path to the five path on the turn, turned into upper stretch in the seven path, rallied on the outside to make a bid near the sixteenth-pole, battled with the winner to the finish and just missed while able to get the place. UNMIZTAKEN went to the front then set the pace under pressure to her outside, vied in the two path on the turn, led under a drive until just before the sixteenth-pole then was headed, fought on to the finish and missed while able to get the show. NO NEED TO PANIC bumped with a rival at the start then bumped with foes after the start, settled off the pace, went around the turn in the two path, moved out near the furlong marker and improved position. FAIRY GODMOTHER tracked the pace on the outside, chased in the four path on the turn, pursued the leader under a drive into the final furlong and weakened. SASSY SATS was well placed just

off the pace, raced in hand behind a rival leaving the backstretch, saved ground on the turn, was asked for her best in upper stretch and lacked the needed kick. JUST A CLICK settled off the pace, was roused in the four path on the turn, spun into the stretch in the five path, moved out near the furlong marker and failed to rally. WHATTA WEEKEND bumped with a rival at the start then bumped again with that foe, dropped back towards the rear, went around the turn in the three then four path, turned into the stretch in the six path and failed to threaten. MY LIL ARMY GIRL pressed the pace on the outside, vied in the three path on the turn and tired. ITALIANNE bumped with a foe at the start then bumped with rivals, settled off the pace, dropped back leaving the backstretch, saved ground on the turn and was no factor. SO TRU broke out at the start, was urged along towards the back, went around the turn in the two then three path and also was no factor. HUDSON RIVER LINE was off slow and spotted the front a few lengths, rounded the turn in the two path and trailed.
