Footnotes | [View Glossary Of Terms](#)

WARALO coaxed from the gate, established the front near the nine-sixteenths and showed the way in hand three then two wide under pressure from TAP TO MISCHIEF early on, shook off that rival midway on the turn and came under coaxing near the quarter pole, took the inside route into upper stretch, edged away under a drive to the eighth pole, dug in under threat and gamely fended off the runner up to score. INNATE (IRE) coaxed from the start, came outwards bumping GREAT LILO, showed the way early on before easing off to chase along the inside, tipped to the two path near the five-sixteenths, swung three wide into upper stretch, traded a bump with TAP TO MISCHIEF at the three-sixteenths, rallied to issue a challenge inside the final furlong getting on near even terms just inside the sixteenth marker, dug in gamely but was repelled and denied to the wire. AFTER TAXES (IRE) chased five then four wide down the backstretch before heading three wide through the turn coming under coaxing at the five-sixteenths, swung four wide into upper stretch and offered up a mild kick. GREAT LILO got bumped at the start by INNATE, chased just off the inside and was bumped and forced to steady briefly just inside five furlongs to go, chased along the inside and was forced to steady once more just inside the five-sixteenths when IRISH GENT came inwards, swung three wide into upper stretch and offered up a mild bid. IRISH GENT (IRE) chased four then three wide down the backstretch, tucked to the two path half a mile from home, came inwards just inside the five-sixteenths when placed to urging and forced GREAT LILO to steady along the rail, spun two to three wide for home, offered up a bid but was outkicked. TAP TO MISCHIEF forwardly placed from the start, ranged up in tandem with WARALO and came inwards bumping GREAT LILO and forcing that rival to briefly steady inside the five furlong marker before overtaking the early leader inside the nine-sixteenths in concert with the new leader, pressed that rival just off the inside and then from along the inside, scraped the paint literally brushing the temporary rail just outside the five-sixteenths, spun just off the inside into upper stretch and traded a bump with INNATE with three-sixteenths to go, then weakened through to the finish.
