Footnotes | [View Glossary Of Terms](#)

U S ARMY CORPS was nestled on the fence in the middle of the pack, shifted out beginning to reach for more ground four wide at the quarter pole, had a full head of steam outside in the five path in upper stretch and got up under a well-timed stretch rally to get his head down right at the finish line for the victory. COMPUTER HACKER broke in at the start, seized command just off the rail along the backside, shook loose up top at the three eighths marker, was comfortably in control up front in mid-stretch but could not find more late and was just caught by the surging winner outside right at the wire. MIDNIGHT ARKLE was part of the back group in the two path with rivals on each side, had a sharp turn of foot rallying at the quarter pole, skimmed the fence having

run, shifted out three wide between foes with a sixteenth from home and finished up with good energy to be a clear third while not that far off the front two at the wire as well. WHISKEY ROW prompted the pace on the outside down the back straight, made no gain outside another chasing the frontrunner in vain through the bend, still was in the hunt for a share at the top of the stretch, switched leads late but faded inside to settle for a minor share in the end. ORPHAN HALLIE settled between foes in the middle of the pack, edged up three wide at the five sixteenths pole to be four wide in the mix in upper stretch, could not find another gear down the lane and stalled by the furlong pole. MT LOGAN was in the four path in the back quintet in the early stages, offered a mild run when roused at the three furlong marker splitting foes midway on the turn, swung out widest in the six path straightening for home and finished up gradually outside foes to the wire. CELENTANO travelled three deep in midfield along the backside, made little impression while hard ridden around the bend, angled five wide turning for home but had little presence in the stretch drive. MIDNIGHT TEMPESTA had the rail while inside the group of five at the back of the pack, took the short way around the bend making little progress, angled out to the three path for the drive but had no finish to offer in the stretch running. JO DADDY moved up on the rail along the backside to press the issue inside at the half, was scrubbed on for more midway on the turn trying to hold position by the quarter pole, shifted out three wide for the drive but faltered between horses at the furlong marker. MO TOURIST stalked near the rear between rivals while in the three path in the early going, could see the field by the half and could not factor in the stretch running. GENDRAGON was brushed inside on the break, stalked five deep near the rear down the backside, began to bear out four wide midway on the turn, was eased up at the quarter pole, cantered across the finish line and walked off.
