BIG BABY HENRY hopped up at the break, sat in midfield outside another down the backside, mounted a rally four wide at the quarter marker to loom boldly in the five path between horses turning for home, moved in to take control outside at the sixteenth pole and had enough late to just hold off an oncoming rival at the finish line. LITTLE RED DOMI tracked the lead foursome while travelling three deep outside at the half, made little gain when scrubbed for more initially at the five sixteenths pole, was fanned out six wide moving with the eventual winner on the inside at the top of the lane, was edging up with every stride late but could not get to the winner in time at the wire. HEAT MERCHANT settled into stride in the two path keeping a close eye on the front foursome down the backside, offered a good run when urged for more making a bid four wide outside runners for the front end with a quarter mile to go, was clinging onto the lead between horses in upper stretch, could not fend off the winner outside at the sixteenth pole and faded in deep stretch to be a clear third in the end. FAIRWAY TO HEAVEN travelled in the second flight inside watching the lead rivals early on, waited in the two path to move still behind the quartet throughout the turn, angled to the four path looking for a seam behind the leaders at the top of the lane and finished up willingly in the final furlong to settle in the fringes, well back of the front three at the finish line. MIDNIGHT ARKLE hopped on the break seeing the field leaving the chute, improved smartly outside foes down the back straight, had a good turn of foot closing in considerably around the turn, angled out widest in the seven path for the drive to wire, could not sustain the lengthy run and evened out in the final furlong. CABERNAYDO stalked near the rear inside foes at the half, had no movement travelling just off the rail around the oval and had to weave through runners in the two path in mid-stretch while finishing with interest in the final furlong. TOURIST'S DREAM was unhurried, trailing the strung out group down the backside, took the short way around the turn making no progression, split rivals five wide picking up horses at the top of the stretch and kept on coming gradually down the lane. COMPUTER HACKER leapt up on the break, recovered to watch the front trio while four deep shadowing the leaders at the half, moved in four wide around the bend poking his head in front for a fleeting moment at the quarter pole, still was in the conversation on the front end in the three path at the top of the stretch, could not find more late and tired between foes at the furlong marker. MAGIC SLIPS travelled inside another in mid-division, narrowed the margin on the contesting leaders around the turn, was looking for a clear path while four wide at the quarter pole, had clear run two wide in mid-stretch but failed to fire in the late running. FASCINATION STREET broke sharp having the early advantage, had company up front on the inside at the half, regained a slim lead three wide between runners in midturn, was still hard ridden inside rivals two wide in the thick of things turning for home, could not quicken with others through the stretch and tired at the furlong marker. GENDRAGON broke out filling the void left by the slower outside runner on the start, battled on the rail down the backstretch, was the first of the quartet to give way up top on the fence by midturn, dropped back through the field at the quarter pole and was emptied out three wide in upper stretch. ORPHAN HALLIE had a stalking position ahead of only one runner down the back straight, dropped back on the turn to be relegated to last going six wide straightening out for the drive and could only manage to pick up a weary rival in deep stretch. MAXIMUS MAGIC argued for the lead in the two path with runners on either side down the backstretch, continued to duel on the front end inside foes at the three eighths pole, gave way up top by the quarter marker and steadily retreated inside horses in the stretch running.
